Certified Service for your SmartBox System

AMVAC Customer Service opens for scheduling on 2/18/2012.

Schedule an on-farm call* with our certified technicians. For \$175.00 you will receive complete inspection and tune-up of your SmartBox Closed Handling System, including:

- All wire-harness connections
- Meter check on individual row-units
- Calibration training
- Inspection for damage or wear and replace parts as needed
- Up to 25% discount on parts replaced
- PLUS—coverage for any in-season calls, if necessary
- Service Fee is waived for SmartBox Systems new for the 2013 growing season.

* Service Program not available in all areas.

New SmartBox Systems must be activated before scheduled service date.

Activation code and software updates can be found at www.smartboxsystem.com. You will need to register using your Customer ID, then download Code and software updates to a USB Drive for transfer to your SmartBox Controller before service inspection.
