# Bulk Seed System

HSC375 - without scale kit (shown)  
HSC375X - with scale kit

## HSC375/HSC375X

**Experience the value of a premium, proven product**  
Travis Seed Carts are tough enough to outlast the competition, yet safer on your seed to maximize germination for optimal yield and profit potential.

### Standard Equipment

- Equipped with a 15' 7" hydraulic fold auger, 8" poly-cupped flighting with a 3 stage 19' telescoping downspout, which reaches all center fill planters
- Auger Reverser virtually eliminates seed loss
- Remote controlled auger functions
- 13.0 hp Honda™ OHV electric-start engine
- Self-contained hydraulic system comes complete with hydraulic pump, electric solenoid, reservoir and hoses
- 10,000# rubber torsion axles / 8 bolt hub with dual 235/80R16 tires
- Electric brakes on all wheels
- Low center of gravity
- Powder-coated paint for durability, available in green, red, or black
- Capacity of 375 seed units or about 300 bushels
- Divided hoppers
- Unload rate of 20 bushels per minute
- Roll Tarp

### Optional Equipment

- Dry Talc Kit
- Liquid Inoculator
- Scale kit includes: weigh indicator and isolated weigh scale frame
- Scale Head with auto shutoff
